PROFILE

I'm Shahzoor, a passionate new web developer dedicated to creating responsive and user-friendly websites. I specialize in HTML, CSS, and JavaScript, and I'm currently expanding my skills in React. With a strong focus on clean design and functionality, I aim to build impactful digital experiences for users.

WORK EXPERIENCE

Fresher

Front-End Developer

- As a fresher front-end developer, I've built several personal and freelance projects using HTML, CSS, JavaScript, and React. I'm experienced in creating responsive, user-friendly interfaces and converting design mockups into functional websites. Eager to learn and grow, I'm committed to writing clean, efficient code and contributing effectively to real-world development teams.
